Shooting the Burntwood Windsor 40.

Junior Lady	Sophie Needle	88	11	522
Gents Compound	Phillip Tranter	108	91	902

The weather was hot until it became sunny and HOT. We were all pleased that we were shooting shorter distances than normal. We also used the new heavy foam bosses and were able to move the shooting line rather than the targets which was a GOOD THING in the heat.

I made up the Burntwood Albion40 round. We used 60, 80 and 122 faces at 20 yards.

Special mentions are due to

All the members of Chantry Bowmen who made up the field party and then shot in the bow.

Colin Hope who marked the field ready for us and much more.

Sophie Needle for being Lady Paramount.

The new archers that shot and shot very well.

There should have been more of us there. Far too many Club members missed a very good day.

We have 71 members and only 16 of those took part.
