Thanks are due to our President Don Richardson who stood to present the awards and spoke so eloquently, to Noel Lawrence for being our Field Captain, to Chantry Bowmen who allow us to use their equipment and provide the bulk of the work party and to all the archers who support this event and pitch in to help. I must give thanks to my wife, Debbie, who once again served us sherry and cake ably assisted by Kay Jordan. Although we had to make the start time later due to a double booking it all worked rather well and we may consider making the start later in the future. We will try to change venue for next year to find somewhere more affordable that will make us welcome.

See you next year - Saturday 21st November.

Venue and start time to be announced.
